Form 10-KT for the Transition Period from July 2, 2006 to December 30, 2006

Item 11. Executive Compensation

1. Your disclosure indicates that 2006 bonus compensation was based upon annual targets linked to long-term financial targets and balanced against shorter term key performance indicators. We also note that awards under the incentive plan may be made subject to attainment of performance goals, although no awards in 2006

were performance based. In future filings, please disclose the specific performance targets used to determine incentive amounts or provide a supplemental analysis as to why it is appropriate to omit these targets pursuant to Instruction 4 to Item 402(b) of Regulation S-K. To the extent that it is appropriate to omit specific targets, please provide the disclosure pursuant to Instruction 4 to Item 402(b) of Regulation S-K. General statements regarding the level of difficulty, or ease, associated with achieving performance goals either corporately or individually are not sufficient. In discussing how likely it will be for the company to achieve the target levels or other factors, provide as much detail as necessary without providing information that poses a reasonable risk of competitive harm.

As appropriate, please amend your filing and respond to these comments within 10 business days or tell us when you will provide us with a response. You may wish to provide us with marked copies of the amendment to expedite our review. Please furnish a cover letter with your amendment that keys your responses to our comments and provides any requested information. Detailed cover letters greatly facilitate our review. Please understand that we may have additional comments after reviewing your amendment and responses to our comments.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes all information required under the Securities Exchange Act of 1934 and that they have provided all information investors require for an informed investment decision. In connection with responding to our comments, please provide, in writing, a statement from the company acknowledging that:

- the company is responsible for the adequacy and accuracy of the disclosure in the filing;
- staff comments or changes to disclosure in response to staff comments do not foreclose the Commission from taking any action with respect to the filing; and
- the company may not assert staff comments as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.
